- The skills you obtained through your vocational training or the Vocational Training Programmes you receive in Turkey has the potential to match with the requirements in existing vacancies. For this purpose, your need to register as a job seeker in Turkish Employment Agency (İŞKUR).
- You need to login using the below link for seeking a job through ISKUR.
<https://esube.iskur.gov.tr/>
- The links below contain detailed information in Turkish and their Arabic version will be available soon:
http://www.iskur.gov.tr/Portals/0/dokumanlar/isarayan/aig_prog/mek.pdf
http://www.iskur.gov.tr/Portals/0/dokumanlar/isarayan/aig_prog/ek3_mesleki_egitim_kurslari.pdf
- You may also search for job opportunities in the private sector. Therefore, you may apply to Career Counselling websites in Turkey. For this, you need to create accounts in human resources websites such as www.kariyer.net; www.yenibiris.com; <https://tr.indeed.com> and apply in existing vacancies.
- Don't forget to prepare your CV for your job applications. An effective CV is one of the most important issue in job seeking process. A good CV reflecting your capacities would increase your chance for employment.
- Please use www.hem4sy.org link for CV preparation and review the CV preparation guideline and sample CV in `Resources` section of the website.

Good luck...
